STUDENT GOVERNMENT DAY

STUDENT REPRESENTATIVE

JOSEPH P. CRONIN

Being chosen by my classmates as the "Student Government Day" representative from the Everett Vocational High School is a great honor.

I have heard how exciting it is to visit the State House in Boston as a student law maker. We will be given 5 possible bills to debate. These bills usually concern teen-agers. This is a chance to see what the Massachusetts Senators and Representatives have to go through to get a law written and passed. Many legislatures will be present and we students will have the opportunity to meet and talk with them.

At this time, I wish to thank all of my classmates for electing me.

This squad of cross-country runners was unbeaten in six contests. It joined fourteen other teams who had similar records during the span of years (1928 - 1965.) These boys made it possible for our school to post an overall victory figure of 250 as against only 44 losses during the past 38 years.

THE BASEBALL TEAM

2nd Row: Co-Capt. Moloney, Colameta, Tennihan, Mr. Hemingway, Legere, Cuccio, Waite
3rd Row: Melanson, Hickey, P. Landry, Sanders, Ryan, Assetta, Crosby, Gallagher, Burke

This years team will have two veterans, Co-Capt. Ronald Moloney and George Salvi, around whom this years team will be built. Dom Assetta and "Little John" Arlington have each had a years experience and hope to hold down outfield positions. Great hopes are riding on a newcomer with a mighty left arm, Steve Hickey. It seems that we have a well balanced team this year.

In Trade League competition, this year's team finished the season with three wins as against nine defeats.

Our opponents bench strength made the difference between our winning or losing.

Kenneth Graczyk, Ronald Moloney, Richard Burke, William Rogers, and Bert Weser, the starting five, and ably assisted by Edward Ebert and Frank Matarana, kept us in contention in each game until the final period.

The Junior Varsity members are looking forward to next year and hope we can once again get back to a winning season, when they step up to Varsity.
